RESERVES 33, W. M. C. O.

Last Friday afternoon the boys from Will Mayfield College went down to further defeat at the hands of the State Normal College Reserves from Cape Girardeau. The score was 33-0.

The team from the river city showed some splendid material both in the line and backfield and the way they worked together was a beautiful thing to see.

They had no great variety of plays but every man had a job on every single play and every man tended particularly to that job. Their line plays were timed perfectly and the interference on end runs was particularly good.

The home boys put up a fighting game all the way through, but inexperienced line men tell the story of the defeat. Sullivan in the backfield played a snappy game until a crack on the leg put him on the side lines. Hardy showed some splendid headwork as safety man and carried the ball to good advantage. Pierce at guard and Abernathy at tackle both put up a hard fight.

Next Saturday the boys are booked to meet the strong team from Perryville and are putting in two hours of practice this week to make sure of a victory.

MAYFIELD WINS FIFTH STRAIGHT VICTORY 8-5.

The Mayfield basketball girls visited Blodgett, Saturday, November 6th and added another laurel to their crown. The Mayfield team has a record of five victories and no defeats.

Our girls were forced to play without their star forward, Ruth Merritt, and the responsibility of shooting goals rested upon Ruth Clinkingbeard. The game was a little slow, and most of the scoring was done on fouls. The score at the end of the first half was 4-1 in

Mayfield's favor.

The last half was very close and ended with a final score of 8-4. Blodgett scored all their points on free throws. If the Mayfield girls keep up their present rate of speed, they will have a perfect record at the end of the season.

W. H. BRETZ PASSED AWAY AT THE CAPE HOSPITAL

W. H. Bretz, an old and highly respected citizen of near Glen Allen died at the Cape Hospital, Oct. 28, 1921, after an illness of several months.

Mr. Bretz has been in poor health for the past several months. His son in law and others persuaded him to go over to the Cape and be examined, and perhaps they would be able to cure him. But after examination it was found that the trouble was more serious than anticipated; he was suffering with a bladder infection, or tumor, and on account of his age and weakened condition an operation was considered out of the question. Mr. Hastings brought him back home, hoping that they could build him up so that he could stand the operation. Soon after bringing him back to Lutesville his condition grew steadily worse, until he was taken back to the Cape as a last resort where he died a short time after he was taken back.

A large number of relatives and friends from here accompanied the remains to the Glen Allen cemetery where he was placed to rest. In the passing of Mr. Bretz, a good husband, father, neighbor and citizen is gone who will be greatly missed.

DR. BRUNNER NOW IN CHARGE AT STATE HOSPITAL NO. 4. Says It Is The Finest Eleemosynary Institution He Has Ever Seen.

Dr. E. E. Brunner, the new superintendent of State Hospital No. 4, arrived Wednesday and has already taken charge. He came here from Carrollton, Mo., where he has been engaged in private practice for many years. He has had much experience, however, in practice in institutions for the care of the insane. He is enthusiastic about State Hospital No. 4 and says it is the finest institution of the kind that he has ever seen.

Dr. George Ard, State Health Officer, upon whose recommendation Dr. Brunner was elected superintendent of State Hospital No. 4, will arrive here today and will go over the institution with Dr. Brunner and plans will be made for the future operation of the institution in keeping with the provisions of the new law governing the State eleemosynary institutions. It is not likely that any very great changes will be

made except those required by the new law.

Mrs. Brunner will join Dr. Brunner here in about a week. They will receive a hearty welcome into the life of Farmington. Every one who has the proper interest in the great humanitarian work Dr. Brunner and his associates will undertake to do at No. 4 will give him loyal support.

Dr. and Mrs. Eaton left yesterday for St. Louis for a brief stay and rest. They are undecided as yet just where they will locate. They will take with them our sincere wishes for success wherever they may go.—Farmington News.

Mrs. John Henley and daughter, Miss Annie, spent the week-end visiting relatives at Laffin.

Ernest Croft, of St. Louis, is visiting his parents, Mr. and Mrs. R. H. Croft and Lutesville friends.

Mr. and Mrs. Clarence Harbin and their daughter, Miss Willie Pittney of Little Rock, Ark., left on Wednesday after a visit with Mrs. Maggie Lutes.

Mrs. Jesse B. Lutes returned on Tuesday from Cairo, Ill., where she has been for the past two weeks visiting her sister, Mrs. Massie Crader and relatives.

The change in the weather on Tuesday night with the shower of rain makes quite a change. Old over coats are being dragged out of the closets and feel very comfortable.

Mrs. Minnie Radcliffe, of Kirkswood, Mo., President of the St. Louis County W.C.T.U., and a state worker is here in the interest of the

W.C.T.U. From here she will go to Marble Hill where she will be a guest of Mrs. Dr. VanAmberg.

Harry Wronker, of Philadelphia for many years here in business, but now in the clothing manufacturing business in Philadelphia, was here the first of the week with a line of samples. Harry is looking fine.

The Will Mayfield College girls of Marble Hill and the Lutesville boys came here for a basketball game with our high school teams last Friday night. The visiting girls team won, 26 to 20, but it was size, not play that won for them. It was a snappy game from start to finish, and the Puxico girls put up a game fight throughout the entire game. The P. H. S. boys won their game easily by a 37 to 24 score. It was a foot game and the Lutesville boys did their best. It was a better game than the score indicates.—Puxico Index.
